- Canoeing

Deposits, Payment, Insurance, and Cancellations

Damage Deposit

Applications for all low-season rentals must include a damage and cancellation deposit equal to the minimum rental charge. Your deposit confirms your booking and ensures that your dates will be held.

An LBC representative will complete a walkthrough before and after your rental to review the condition and cleanliness of the facilities. Any damage or cleanup concerns will be assessed, and the deposit will be applied to the outstanding balance at the time of billing.

A \$50 per hour, per person cleaning or repair fee will be charged for any clean-up or repairs required due to damage.

Damages

Rental groups are responsible for any damage to facilities, property, or equipment caused by improper use, negligence, carelessness, or vandalism. Writing on cabin walls, bunks, or mattresses is prohibited.

Repairs to damaged property will be charged at \$50 per hour, plus the cost of any replacement materials.

If you notice anything on site that may require attention or pose a safety concern to your group, please inform an LBC representative immediately.

Deposits, Payment, Insurance, and Cancellations

Cancellation Policy

- Cancellations made 60 days or more before the rental start date will receive 50% of the deposit back.
- Cancellations made less than 60 days before the rental start date will forfeit 100% of the deposit.

Cancellation due to inclement weather is at the discretion of the Camp Director.

LBC reserves the right to cancel a rental if we determine that we cannot adequately accommodate your group due to circumstances such as environmental factors, site issues, or construction. In those cases, a full refund will also be provided.

Insurance Coverage

A copy of your Certificate of Insurance showing adequate legal liability and comprehensive general liability coverage must accompany your rental application or be submitted within two weeks.

All renters must carry at least \$2,000,000 in liability insurance. Please request this document from your organization's insurer or home insurance provider.
